To whom it may concern,

I'm very pleased to write this recommendation on behalf of Internship Nepal.

Internship Nepal hosts our students, both undergraduate and graduate, since 2007. As an internship broker, Internship Nepal immediately proved a valuable and reliable partner. Its owner/manager, Mr. Nardev Pandey, consistently helped our students to find inspiring and profitable intern positions.

With his help, our students achieved very good results. Mr. Pandey proved an exceptional motivator and, consequently, our students truly enjoyed their Nepal sojourn and submitted outstanding internship reports. Also, Mr. Pandey and his team in Katmandu provided clear and detailed feedback on our students.

As for Internship Nepal accommodation services, more than an internship broker, our students found a family! All of them have been delighted to share Mr. Pandey's family daily life. It's a full immersion experience, with the right quote of privacy.

I will certainly continue to recommend Internship Nepal to our students looking for a challenging, safe and valuable intercultural learning experience.

Sincerely,

Guillermo R. Aureano, Ph.D.
