Subject
Placement Maximilien Couvreur

Dear Mr Pandey,

Hereby I would like to thank you most kindly for the internship offered by your organization to one of our students, Maximilien Couvreur, in the period 1 February 2019 until 30 April 2019.

Mr Couvreur appears to be very satisfied with the theoretical and practical knowledge gained during the internship at your organization. In an internship-report, the student has given an overview of the activities conducted and the lessons learnt. From this report, it becomes clear that the internship has been a valuable experience indeed. We sincerely hope that the contentment regarding the internship is mutual in the sense that your organization has also benefited from the student's contribution. From your evaluation letter, we obtained the impression that this has certainly been the case.

Whenever the opportunity may arise for another internship for one of our students at your organization, please feel free to contact us.

We would be glad to continue the co-operation.

Yours faithfully,

drs. H.Sportel
